

free member events

covering your needs

NDNA hosts a number of free regional and national events throughout the year to give our members a chance to come along to hear from relevant organisations, NDNA representatives and network with fellow members.

There is a full programme of events during the year in England, Scotland and Wales, and members can expect to:

- Hear about important changes affecting their business such as registration and funding
- Enjoy practical sessions about topics such as nutrition or special needs
- Find out more about new member benefits and how NDNA is supporting their nursery business
- Be given the opportunity to share their views and raise issues.

These events are exclusively free to NDNA members. Non-members can attend for a fee, refundable if you take up membership on the day.

Each event lasts for half a day and speakers and locations vary.

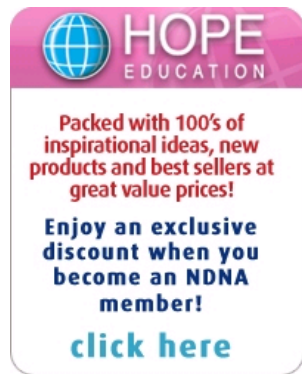

All NDNA member events are CPD UK Certified. Find out what this means for you by [clicking here](#).

find your next member event...

To find out when the next free member event is taking place in your area, [click here to view the calendar of events](#).

NDNA member events are supported by our corporate partner, [Hope Education](#). Members can receive 10% discount off all Hope Education learning and play resources.
