Food and Drink

Bwyd a Diod

This vocabulary factsheet has been created to help you to support children to develop their language skills. In order for children to become confident using the Welsh language, use the following vocabulary when discussing Food and drink/**Bwyd a Diod** and during the setting the table activity.

This factsheet provides common food and drink words and phrases along with their Welsh language equivalent.

This can provide children with a wider Welsh vocabulary when they discuss or describe food and drink preferences.

Activity suggestion – **Awgrymiad o Weithgaredd**

Setting the table – **Gosod y bwrdd**

To familiarise the children with the new Welsh words, encourage the children to find objects to set the table.

Use the objects in the home corner or role-play area to familiarise the children with the objects initially; you could ask the children to take it in turns to find the object/objects you need to set the table.

You could draw a placemat for each child on the table with a picture of a plate and cutlery so they can copy where to place the object or use the template provided below.

Use the words and language from the word bank and useful phrases to enhance the children's Welsh language vocabulary.

Factsheet

Our factsheets are written by early years experts for the early years workforce. Most NDNA factsheets are free to our members.

NDNA is the national charity and membership association representing children's nurseries across the UK. We are a charity that believes in quality and sustainability, so we put our members' businesses at the very heart of ours.

We are the voice of the 21,000-strong nursery sector, an integral part of the lives of more than a million young children and their families. We provide information, training and advice to support nurseries and the 250,000 people who work in them to deliver world-class early learning and childcare.
