Parts of the Nursery

Rhannau o'r Feithrinfa

It is important that the signs in the nursery are bilingual in order to reinforce the use of Welsh language. Please see our factsheet on The Active offer and information about the Welsh Governments Cymraeg 2050 plan, in the further support section at the bottom of the factsheet.

It is good practice to give the children in the nursery the opportunity to experience and enjoy using/hearing the Welsh Language throughout their everyday activities. Using the Welsh language regularly in your setting through simple activities will increase the use of the Welsh language with children in their early years.

★Brighter thinking
for early years

Factsheet

Our factsheets are written by early years experts for the early years workforce. Most NDNA factsheets are free to our members.

NDNA is the national charity and membership association representing children's nurseries across the UK. We are a charity that believes in quality and sustainability, so we put our members' businesses at the very heart of ours.

We are the voice of the 21,000-strong nursery sector, an integral part of the lives of more than a million young children and their families. We provide information, training and advice to support nurseries and the 250,000 people who work in them to deliver world-class early learning and childcare.
