# Summer

# Yr Haf

Use the following vocabulary when discussing summer time/**Yr Haf** activities and summer weather with the children. You may use the words incidentally throughout play and use one or two of the words in Welsh/**Cymraeg** in the context of an English sentence if you do not feel confident using full Welsh sentences. The more of the words you use incidentally, the more children will hear the phonetic Welsh alphabet and use this to develop their linguistic skills through repetition. You may also use these words to create labels to place on wall displays or resources around your setting.

# Factsheet

Our factsheets are written by early years experts for the early years workforce. Most NDNA factsheets are free to our members.

NDNA is the national charity and membership association representing children's nurseries across the UK. We are a charity that believes in quality and sustainability, so we put our members' businesses at the very heart of ours.

We are the voice of the 21,000-strong nursery sector, an integral part of the lives of more than a million young children and their families. We provide information, training and advice to support nurseries and the 250,000 people who work in them to deliver world-class early learning and childcare.
