3. True or false? The purpose of a whistleblowing policy is to prevent annoying noises in the nursery.

- a. True
- b. False.

Its purpose is to raise concerns about poor or unsafe practice in the setting's safeguarding provision.

4. What new policy is required of nurseries, regarding child absences?

- a. Attendance policy
- b. Non-attendance policy
- c. Child absence policy.

5. True or false? In the update on suitable people and references, applicants are allowed to provide references from family members.

- a. True
- b. False

Nurseries should not accept references from a family member.

6. True or false? In the update on suitable people and references, nurseries can source references after they have employed someone.

- a. True
- b. False**

Providers must obtain a reference for any member of staff (including students and volunteers) before they are recruited

7. Safeguarding training must meet the criteria set out in:

- a. Annex A
- b. Appendix B
- c. Annex C.**

8. With regards to safer eating, what extra information must a provider seek from a parent about their child?

- a. Food they don't like
- b. Allergies
- c. Intolerances**

Before a child is admitted to the setting the provider must obtain information about any special dietary requirements, preferences, food allergies and intolerances that the child has.

9. Whilst children are eating there should always be a member of staff in the room with:
