

# A guide to the Welsh language at home

## Canllaw i'r iaith Gymraeg adre

October-Hydrref 2025

Welcome to our first 'A guide to the Welsh language at home', here is an introduction to us and the aim of this newsletter. The setting that your child attends are a member of NDNA Cymru, we are a charity who support day nurseries and we have a Welsh language team who are supporting settings across Wales to increase the use of Welsh language, your children may come home having learnt some incidental Welsh or songs during the day and we wish to further support that development by also supporting you.

**Cymraeg 2050** – <https://www.gov.wales/sites/default/files/publications/2018-12/cymraeg-2050-welsh-language-strategy.pdf>

'This is the Welsh Ministers' strategy for the promotion and facilitation of the use of the Welsh language. It has been prepared in accordance with Section 78 of the Government of Wales Act 2006. This strategy supersedes A living language: a language for living – Welsh Language Strategy 2012–17, and its associated policy statement, A living language: a language for living – Moving forward. The Cymraeg 2050 Strategy sets out the Welsh Government's long-term approach to achieving the target of a million Welsh speakers by 2050.'

**Bore da ffrindiau** -Some of your children may leave nursery singing 'bore da ffrindiau' – 'good morning friends' here is a link to the song if you would like to learn it at home.
